

NYACK  LIBRARY

Annual Report FY 2022

July 1, 2021-June 30, 2022

The Year in Review

Edward Falcone
Interim Library Director

At the start of the 2021-2022 fiscal year, Nyack Library was still offering limited service due to the pandemic. Over the ensuing months, curbside delivery, reduced hours, and Zoom-only programs slowly gave way to a more robust selection of library programs and services. As the year came to a close, Nyack Library finally resumed full operations. On behalf of the Trustees and staff of the Library, I would like to thank our community friends and neighbors for your patience and understanding during this difficult time.

A major accomplishment this year was the completion of our new Long Range Plan. With input from community stakeholders, we have charted a course over the next five years to improve library services, enhance training for our staff, and make Nyack Library a leader in sustainability. One year into the Plan, we have already made progress on many of the goals we set for ourselves.

Finally, Nyack Library said good-bye to Director Angela Strong, who left us at the end of the year. We thank Angela for her years of service and wish her a happy and well-deserved retirement. The Trustees have started recruiting for a new Director, and that fortunate person will take over management of a wonderful institution with a rich history and a bright future. It has been a pleasure working at Nyack Library!
