**Dear Friends and Neighbors,**

**Thank you for your continued support of the Nyack Library. Your belief in what we do and your generosity allow us to keep offering programs and services that bring people together, spark curiosity, and strengthen our community.**

**This past year was full of exciting moments made possible by your support. We were thrilled to welcome author Erica Armstrong Dunbar for an inspiring evening of conversation and history. We also launched our first Lit By the River festival, a joyful celebration of local writers and the creative spirit that runs through our community.**

**In September, we held our second BIPOC Business Fair, in partnership with the Valley Cottage Library. The fair highlighted local businesses owned by people of color and once again showed how vibrant and collaborative our community can be when we come together.**

**I hope you’ll consider making a gift this year to help us keep offering programs and services that connect, inspire, and reflect the best of Nyack.**

**With gratitude,**
